

F9. Insurance Policy

Policy Objective

To ensure that all of the Shire's assets are adequately protected by updating all insurances on a regular basis.

Policy Statement

It is Shire policy that all of the Shire's insurances are to be updated progressively during each financial year so that the acquisition or disposal of any insurable plant, equipment, building or other infrastructure item is appropriately noted on the Shire's insurance policies.

The Chief Executive Officer is to arrange an annual review of all the Shire's insurances by July of each year or earlier.
